

Sandal Castle (VA) Community Primary School

Interim Head Teacher: Mrs Moira Hunt

www.sandalcastleprimary.co.uk

Dear Parent/Carer

13th July 2023

As from Wednesday 6th September we will be introducing a new Catering System in school called "Blue Runner" for the ordering of our children's dinners.

The system will enable more dinner options for the children to choose from.

The system automatically migrates with ParentPay so please continue to use ParentPay for any payments you are making to school.

Please could all dinner money debt be cleared before the start of the new term as this system does not allow a child to order a meal if the debt balance is over £12.35 (one week's dinner money).

If a child is not able to order in class they will be asked to go to Reception and a member of the Admin team will contact the parent and ask them to either top up their ParentPay account or bring a packed lunch in for their child.

If you have any questions, please do not hesitate to contact office@sandal.wakefield.sch.uk

Yours sincerely

Mrs Hunt

Interim Headteacher
