Dinner Debate

Dinner Debate - This week we have been thinking about how our education is a gift not to be wasted. In the 1800s, parents had to pay for their child's education- that is why our school was founded in 1883 - to give every child in this community the gift of education! Our Big Questions are:

- Is it fair if some people get opportunities and others don't? Why?
- How would life be different if only some children were allowed to learn?

Name Everything!

Please remember to put your child's name on all of their clothing. We already have a box full of lost property that is growing bigger each day!

OPAL

The children have had a fantastic first week back and have loved getting back into OPAL play! They have been particularly excited to explore our new additions from over the summer, including the gymnastics bars and our new sand pit. It has been lovely to see the children using their imaginations, working together and making the most of our outdoor spaces.

As we head towards the colder and wetter months, please remember to send your child to school with a coat and a pair of wellies or spare trainers that they can change into for outdoor play.

Congratulations to the winners of this week's Golden Welly Award-

- Phoenix RJW
- Lee 2LW
- Poppy 4SW
- Antonella 6HH
