Behaviour Update

This term we have been walking on the left in the corridors and pausing at the doors. We have also introduced a one way system for lunch time movements in and out of the building. Children report that this has made school feel calmer.

Children have contributed to updating our school behaviour expectations and this links with revisiting our school values and vision. We will be introducing the changes after the holiday.

Teacher Strike February 28th

We are planning, once again, to provide cover for the children of Key Workers on this strike day. The cover will consist of non-curriculum activities. A letter will be sent out on Monday 20th February with a return slip for Key Workers who cannot arrange any alternative childcare.

After School Clubs

The After School Clubs have ended for this half term and will resume for the new children in the second week back after half term. Letters will be sent to the new children in the first week back after the holidays
