Scarecrow Festival 22nd/23rd September

THIS year's festival is going to be better than ever with a record number of scarecrows on display on the trail, at Sandal Cricket Club, at St Helen's Church and in other gardens around Sandal and Walton.

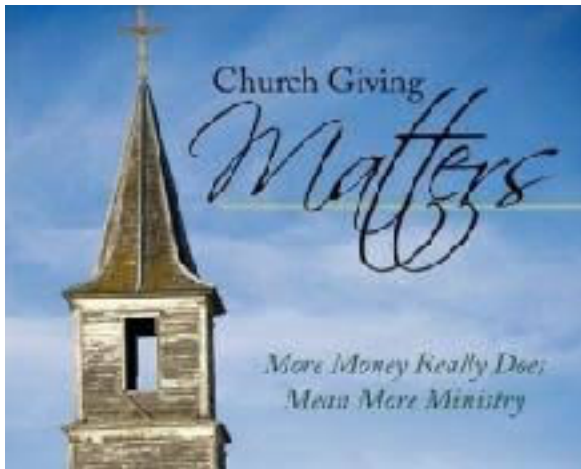

There will be a judging panel making a choice of best scarecrow display but there's also a People's Choice award in which everyone will again have a chance to vote - and their favourite has never been the same as the judges'!

The weekend kicks off at St Helen's Church when the festival will be opened at 11am on Saturday by the vicar, the Rev Rupert Martin, and 11-year-old Maja Kral who won our competition to design a mascot for this year's event. Her design, Summer Sunshine, was turned into an actual scarecrow which has been helping publicise the festival at a number of locations over recent weeks.

There will be various activities at the church on Saturday and at Sandal Cricket Club on both days, meaning there's much more on offer than in past years. For more info: http://sandal.org.uk/Scarecrow_Festival.php
