As part of the King's Coronation, communities are encouraged to take part in 'The Big Help Out'. King Charles is a big advocate of caring for the planet and has often spoken out about his fears over the environment and climate change donations from our Coronation Celebration Picnic will be donated

to Whitby Wildlife Sanctuary and School Funds.

On Monday 10th July, Sandal Castle Primary School will be holding a Coronation Bake Off! We welcome entries from all year groups, where a winner and runner up will be decided for Key Stage 1 and Key Stage 2 entries.

The cakes will then be available to buy at your Coronation Celebration Picnic for a small donation.

Celebrations Outside School

If you have received an award, badge or certificate outside of school we would like to celebrate your achievements in our Celebration Collective Worship. Please bring it to your class teacher, clearly named and we will congratulate you with a round of applause 🙌.
