

KS1 FFT
School v National
Progress

KS1	Expected RWM	Higher RWM	Expected Reading	Higher Reading	Expected Writing	Higher Writing	Expected Maths	Higher Maths
Male	Sig Above National	Sig Above National	In line with National (+)	In line with National (+)	Sig Above National	In line with National (+)	In line with National (+)	Sig Above National
Female	In line with National (+)	In line with National(+)	In line with National	In line with National	In line with National(+)	In line with National	In line with National(+)	In line with National(+)
Higher Attainer	In line with National (+)	In line with National (+)	In line with National (+)	In line with National(+)	In line with National(+)	In line with National(+)	In line with National (+)	In line with National (+)
Middle Attainer	In line with National (+)	In line with National (+)	In line with National (+)	In line with National(+)	In line with National(+)	In line with National(+)	In line with National (+)	Sig Above National
Lower Attainer	In line with National (+)	In line with National (+)	In line with National (+)	In line with National(+)	In line with National(+)	In line with National(+)	Sig Above National	Sig Above National
Pupil Premium	In line with National (+)	In line with National	In line with National(+)	In line with National	In line with National	In line with National	In line with National(+)	In line with National
SEN Support	In line with National	In line with National(+)	In line with National	In line with National	In line with National(+)	In line with National	In line with National	In line with National(+)
EAL	Sig Above National	In line with National (+)	In line with National (+)	In line with National (+)	Sig Above National	In line with National(+)	In line with National (+)	Sig Above National

In line with National (+) = school attainment is higher than National but not significant
