<input type="button" value="Log in"/>
Forgot password? Having trouble? Register please

2. On the home screen, there is a section on the top left called 'Alerts'.

Click on this

4. Once you have completed a task, the programme will tell you that is finished, and has been handed in for your teacher to look at.

5. You will then be able to see the work that you have completed, and re-visit it if you wish.

3. This will show any pieces of work that have been set by your teacher, along with any instructions, and when it needs to be completed by. Select 'Go to' to complete the task.
