- E-safety concerns safeguarding children and young people in the digital world.

**Sandal Castle Bake Off - Friday 12th May.**

A fantastic £485 was raised on Bake Off Day. Thank you so much to Miss Spivey and everyone involved. The winners received a lovely baking set to encourage them to continue baking.

**Active Kids Vouchers**

The school is still collecting the active kids vouchers from Sainsbury's. The vouchers can be accepted until 30th June. Thank you so much to everyone for their contributions so far. The vouchers will be used to provide exciting sports and outdoor equipment for the whole school.

**Lateness**

We are becoming increasingly concerned about the number of children arriving to school late. Being late for school could be upsetting for children as they have to go to their classrooms when everyone else is settled. This also distracts other children when they are listening to the teacher or concentrating on their work. The Local Authority take the view that it is the parent's responsibility to ensure that their child receives full time education by arriving at school punctually and have published the following table.

Lateness	Lost Learning
5 minutes a day	3 Days lost
10 Minutes per day	6.5 days lost
15 minutes a day	10 days lost
20 minutes per day	13 days lost
30 minutes per day	19 days lost

We appreciate your support in this matter.
