Dear Parent / Carer

New Starter Information Pack

Welcome to Sandal Castle Primary School!

Normally we would invite you to a New Parents' Meeting this month and present you with all the initial information you need regarding your child starting school. However, due to Covid-19 we are having to approach things differently.

In this pack, we have included the following:

- New Starter forms (these need completing)
- Information for Parents booklet for you to keep
- School Milk Form
- Dietary Requirements / Previous Nursery Form
- All About Me booklet
- Early Years Foundation stage booklet (with teacher and classroom details)

We would appreciate if you could complete the forms and return either by post or to school reception, this will enable us to plan and prepare ready for your child starting school in September.

We anticipate the start of September looking potentially different to normal, however we will keep you updated via the school website and will send out a further information pack before your child starts school.

Thank you for your assistance in these uncertain times and please do not hesitate to contact us if you require any further information.

Kind Regards

Mrs N T Russell
