Sporting Fixtures and Results:

Football League Fixture 4 – Sandal Castle V Mackie Hill

Sandal Castle 8 - 0 Mackie Hill

We signed off the first half of the season with an impressive victory against a well organised team. Mackie Hill made it tough for us in the first 10 minutes but our team didn't panic, we continued passing the ball and looking for gaps in their defence. The game was played in great- spirit and Sandal were delighted to go into the mid-season break on the back of an accomplished performance. Well done for a fantastic start to the football league! We are continuing to work hard in our 'off season', preparing for our huge first fixture back in March against St James.

We will now have a 'break' in our football fixtures but they will continue again in March. Football after school club will continue on a weekly basis during this 'break'.

Year 3 and 4 Benchball Tournament – Kettlethorpe High School

Our Year 3/4 Benchball team travelled down to Kettlethorpe to compete against the other schools in our pyramid. We went there incredibly confident in our abilities and fully believed we could do well. Indeed, we won the first match 8-2! The victories just kept on coming, in fact we won all five of our fixtures and were crowned the Benchball champions 2017. Every single player in our team was superb, displaying great passing and catching skills alongside wonderful determination and courage. The whole team were excellent and thoroughly deserved to bring home another trophy for Sandal Castle!

Functional Fitness Tournament – The Hut Leisure Centre

As part of our ongoing partnership with Elite Kids Coaching, we were invited along to their first festival of the year: Functional Fitness. Our Year 6 team were put through their paces in a series of activities including bear crawls; cross country running; tyre flipping; obstacle courses; wall climbing; and push ups amongst others. It was an exhausting day and our team were outstanding in the afternoon where they won every event they entered! This saw us shoot up the final leader board and were awarded with an impressive and hard-earned third place against a number of fierce competitors. The children had a fantastic day and came back thoroughly enthused; determined to receive a first place spot at the next tournament.
