Sporting Fixtures and Results:

Netball League Fixture 3 – Sandal Castle V Dane Royd

Sandal Castle 9 – 1 Dane Royd

WOW! What a performance! This was the most skilful game out of all three matches so far. The team worked together confidently to move the ball up and down the court; finding spaces effectively; and communicating well with each other. We came up against a strong Dane Royd team, who defended and attacked well in the first two sections of the game, having a 1-0 lead. However, we kept our composure and continued to move the ball with speed and attacked, which resulted in us to scoring nine goals in a row during the final three sections of the game. It was an amazing effort from the whole team but the player who was awarded our 'Player of the Match' for her outstanding effort and improvement in confidence, was Ayesha. We are all incredibly proud of each and every member of the team and with an upcoming break-in-play all they can do is improve. It's very exciting to see where this team can go!

We will now have a 'break' in our netball fixtures but they will continue again in March. Netball after school club will continue on a weekly basis during this 'break'.

Football League Fixture 3 – Sandal Castle V Dane Royd

Sandal Castle 4 – 1 Dane Royd

What a game and what a result for Sandal Castle this Thursday! We came up against a strong Dane Royd side. Our team played with flair and finesse and were not afraid of making a strong tackle! We dominated the midfield with intricate passing, using the ball well and finding space on the wings. As the game was tight at half time (we were winning 2-1), we spoke of the importance of effort and continuing to apply ourselves, so as to not let the lead slip. We were solid in defence and scored two great goals from excellent through balls. It was an all-round top performance and we look forward to facing Sandal Magna next.
