

Topic Pupil Voice

P.E and The Arts

Yippee Yellows	Deepen the Moments
<ul style="list-style-type: none">• The children's use of subject specific vocab was exemplary• The children could articulate progress and skills learnt in each subject area.• The children could make clear links between subjects eg Art and History• The children could explain the holistic benefits of each individual subject• The children clearly use equipment during lessons• The children had a good, broad knowledge of a range of artists they talked about this with clarity and passion.	<ul style="list-style-type: none">• The children would like to know more about how the artists they study are chosen.•• The children have really enjoyed listening to Mr Scolah play live music and would like to experience this more

“Art helps us learn more about the world, its more than just pictures”

“Music is interesting and you learn skills but it also helps you relax and have fun”

“Art is about using your imagination and letting it run wild”

**Upper Key
Stage 2**

“Learning about Vincent Van Gough was amazing, he was a bit crazy but amazingly talented”

“P.E helps us with teamwork and to know how to work with other people”

“P.E helps boost your confidence, its helped me loads; its helped me believe in myself”

“I didn’t use to like Dance but Chloe really helped me and now I love it.... And I’m quite good!”

“I wasn’t confident in music but Mr Scolah helped, he showed me how to do it and made me believe that I can”

**Lower Key
Stage 2**

“Mr Jones teaches you new skills, he does it step by step so something that was hard becomes really easy”

“ Art is a mixture of learning skills and expressing yourself”

“In art we learn different skills we will sketch sometimes or use different brush or pencil strokes”

“In music we learn about beat, pitch and rhythm. We do this by listening and using instruments “

“In P.E you always have to warm up, it gets oxygen going round your body and helps stretch your muscles so you don’t get injured”

“My confidence in P.E. has helped me in all my subjects, I’ve learned to believe in myself “

Key Stage 1

“When you think about it art links all the other subjects together”

“ we’ve been looking at Frank Stella pictures. They are full of shapes and colour, I’ve made my own version of his squares”

“In art we have learnt about Lowry, he drew stickmen, it sounds easy but it was really complicated and fun”
