# ParentPay

18<sup>th</sup> November 2022

Dear Parents/Carers

Sandal Castle Primary use the online system ParentPay for all payments made to school. This enables you to book and pay for Breakfast Club, After School Care, School Meals and **Visits**. We no longer accept any cash payments in school.

It has come to our attention that some parents and carers have not activated their Parent Pay account. It is really important that all parents and carers register, especially now that school visits are being planned for the spring term.

If you have not received a Parent Pay login, please contact [office@sandal.wakefield.sch.uk](mailto:office@sandal.wakefield.sch.uk) and an activation letter with your login name and password will be sent home with your child. Any problems, please use the above email address to contact us.

Thank you

Mrs M Hunt  
Interim Headteacher

Accredited Professional  
Development Lead

National Centre  
for Excellence in the  
Teaching of Mathematics
