

## Governor Visit Report

<b>Name of Governor</b>	<b>Date of visit</b>
Donna Richardson	9.11.14
<b>Focus of visit</b>	<b>Activity / Format</b> (Meeting, Classroom Visit, Learning Walk)
Parental engagement	Family Bingo evening

**Preparation** (Did anything take place before the visit? e.g. staff presentation at Full Governing Body Meeting, meeting with Headteacher or Subject Leader, questionnaire)

Invitation from school.

**Purpose of the visit** (What was the reason for the visit? – e.g. to see a new initiative in practice, conduct a safeguarding walk with the caretaker, a learning walk with a subject leader)

Take part in the family bingo evening, one of a series of evening activities put on to help raise school funds and further develop positive relationships with families.

**Overview of the visit / summary of activities** (Describe what you saw/did during your visit? – e.g. what were the children doing whilst taking part in a new initiative, reviewed specific safeguarding procedures, ensure school is safe and secure)

The bingo evening involved playing a variety of bingo games: traditional numbers game, playing card bingo and animal bingo. There was also a raffle as well as refreshments on sale. There was a wonderful atmosphere with every table full of families who were all engaged and enjoying themselves together. It was great to see many parents and carers enjoying the games with the children, in particular the younger children, supporting them in recognising numbers.

**Outcome(s) / Impact on governance** (What have you learned? – e.g. better awareness of an initiative that governors agreed to fund, seen information presented by staff in practice, strengthened ability to ask questions to senior leaders)

The evening was a huge success and also received positive feedback on social media by parents and carers who attended. The evening was such a success due to the dedication and commitment of all staff who contributed to the evening running smoothly. As a Parent is was lovely to be able to spend time with my child doing an activity in school, which parents who work would not have the opportunity to do during school time.

**Any other comments**

I hope another bingo evening will be out on as I am sure it would be well received again.

## Governor Visit Report

This form is a record of a Governor visit and provides evidence of the work of the Governing Board. All forms should be shared with relevant staff and the Governing Board and retained on file at the school.
