Sandal Castle VA Community Primary School

Sandal Castle VA Community Primary School is placed in a family of similar schools, according to the characteristics of our pupils. The prior attainment of pupils, the percentage eligible for Pupil Premium, and the proportion with English as an additional language are all considered in grouping the families.

The chart above presents the average performance over five years. This is to ensure that trends show the direction over a longer period of time rather than the odd spikes from particular years. The orange bar is our school and the blue bar is our nearest statistical neighbour, calculated as the most similar school.
