18<sup>th</sup> July 2019

To all staff

Congratulations to all of you on the collective achievement of another amazing set of outcomes for the children. The Governing Body have been thrilled to see that the fantastic results achieved last year have not just been maintained but improved further. The results really are a credit to every single one of you. Each of you has an important role to play in the day to day school life of the children, supporting their families and community as well as keeping the school running. We know just how hard you work and your relentless drive, determination and enthusiasm to get the best for every child no matter their circumstance or ability really is commendable. We thank every one of you for your commitment to the education of the whole child and the wide range of opportunities you offer them throughout the year, giving your time to run clubs and trips for the children.

We hope you have an enjoyable summer break and celebrate your successes from this year!

Donna Richardson

Chair of Governors
