Dear Parents/Carers,

As the cold temperatures arrive, 6FW have asked if we can do something to support the people in Wakefield who are living on the streets as part of our Politics/Social Action Golden Time. There is currently a national initiative where city train stations are asking for old and unwanted adult coats to donate to the homeless. As a school, we will be supporting the Community Awareness Programme in the centre of Wakefield who will gladly welcome any coats for the people they support and distribute them on our behalf.

Apart from being vital to offer some much needed warmth and comfort in cold temperatures, it is a great opportunity to develop empathy and generosity, qualities which we are always proud of in our lovely children!

It would be wonderful if you too could spread the message amongst family and friends and bring any old, unwanted coats in to school to 6FW so that we can donate them. Mrs Waddington will be making regular trips to the centre over the next few months.

Thank you so much for your support in this,

Mrs Waddington and 6FW.
