Dear Parent/Carer,

Dragon's Den

Next week in school we are holding our very own "Dragon's Den" competition. The children are invited to enter the competition, which will be held in school on **Friday 23rd March**.

To enter children will need to create an invention, which would help somebody in some way. It must be creative and they must be able to explain their product to the judges. Inventions can be drawn/ made out of household objects or even Lego.

Children wishing to enter, and have a chance of winning a brilliant prize, should bring their invention into school on **Friday 23rd March** clearly labelled with their name and class.

The lucky winners will be announced in assembly the following week.

Many thanks in advance for your support

Miss Spivey
